

Individual insurance for the residents of the Ringley Road area

Zurich Private Clients

At Reich we have a unique knowledge of the Ringley Road area and, after teaming up with one of Europe's largest insurers, Zurich Insurance Company, we would like to introduce you to the Zurich Private Clients insurance package.

This allows us to create a bespoke insurance package for you that combines your home and motor policies. In addition to this, we will provide you with high quality protection in a package that is flexible enough to cater for your specialist insurance needs.

Reich Insurance Brokers, owned by partners Danny Lopian and Simon Taylor, have been established since 1943 and following tremendous growth (having more than doubled the size of their business within the last five years), are currently one of the largest independent brokers in Manchester. Within our team we have a very active and efficient personal lines team who specialise in the insurance needs of 'high net worth' clientele.

At Reich Insurance Brokers we believe that providing a personal service is critical, which is why we are dedicated to surpassing our clients expectations when it comes to their insurance requirements. As members of Zurich Private

Clients with home insurance cover, you will receive a complimentary consultation with an experienced Zurich Client Manager. Your Client Manager will be able to assess your insurance requirements and provide you with recommendations for the most appropriate solution for your home and motor insurance needs. Your client manager can also introduce you to all other aspects of Zurich's service.

To compliment their extensive range of covers, Zurich has a claims service tailored to clients' individual requirements. This includes agreements with an extensive network of trade experts, established to ensure your claim is understood and handled professionally.

We are confident that we can exceed your expectations and look forward to speaking to you in more detail.
